e. TC3 is applying for authority to operate as a facilities-based carrier pursuant to the terms and conditions of § 63.18(e)(1) of the Commission's Rules, 47 CFR 63.18(e)(1), and as a resale carrier pursuant to the terms and conditions of § 63.18(e)(2) of the Commission's Rules, 47 CFR 63.18(e)(2). TC3 requests authority to serve all

countries permitted under a grant of global authority. As evidenced by the certification provided in Attachment A, TC3 will comply with the terms and conditions contained in §§ 63.21, 63.22 and 63.23 of the Commission's Rules. 47 CFR 63.21-.23.

f. At this time, TC3 does not seek authority to provide service not referenced under § 63.18(e) of the Commission's Rules, 47 CFR 63.18(e).

g. TC3 will use previously authorized facilities to provide the services requested by this Application. Consequently, TC3 is categorically excluded from environmental assessment pursuant to § 1.1306 of the Commission's Rules, 47 CFR 1.1306.

h. No entity directly or indirectly owns at least 10% equity in TC3.

i. As evidenced by the certification attached hereto as Attachment A, TC3 is not affiliated with a foreign carrier.

j. As evidenced by the certification attached hereto as Attachment A, TC3 does not seek to provide international telecommunications service to any destination where: (1) TC3 is a foreign carrier in that country; (2) TC3 controls a foreign carrier in that country; (3) any entity that owns more than a 25% interest in TC3, or controls TC3, controls a foreign carrier in that country; or (4) two or more parties own, in the aggregate, more than 25% of TC3 and are parties to, or the beneficiaries of, a contractual relationship that affects the provision or marketing of international basic telecommunications services in the United States.

This Application qualifies for streamlined processing for the following reasons: (1) TC3 is not affiliated with a foreign carrier on any route for which authority is sought; (2) TC3 is not affiliated with any dominant U.S. carrier whose international switched or private lines services it seeks to resell; and (3) TC3 is not requesting authority to provide switched service over private lines to countries not previously authorized for service by the Commission.

q. The Commission's granting of this Application would serve the public interest, convenience, and necessity. The introduction of further competition into the toll and long distance markets will increase the competitive choices available to users in the

state and create incentives for lower prices, more innovative services, and more responsive customer service.

WHEREFORE, TC3 respectfully requests that the Commission grant it authority to provide international telecommunications services on a facilities and resale basis pursuant to § 214 of the Communications Act of 1934, as amended.

Respectfully submitted,
